## WATERWHEEL COURT EXPANSION PROGRESSING WELL

**Lockington Community Care is making steady progress with the newest stage of its Waterwheel Court housing project.**

Two new units are currently under construction. Once completed, they will increase the number of homes within the complex to 16.

It is hoped the latest units will be ready to occupy by Christmas after work was unexpectedly delayed earlier in the year.

"Coliban Water has some concerns about the number of buildings within Waterwheel Court accessing water from a single mains outlet," Lockington Community Care spokesman Graeme Haines explained.

"The project was held up while we navigated a way forward and we were given the green light to go ahead on the understanding that we would not proceed with two more planned units until a solution is agreed upon," he said.

Coliban Water requires a new main to be installed at an estimated cost of between \$80,000 and \$120,000.

The Community Care Committee is working with construction engineers to explore alternate options which would significantly reduce the financial impost but fulfil the water authority's expectations.

"The two units under construction have occupants ready to move in upon completion. We likewise have occupants ready for the two proposed units which are on hold until we can resolve the Coliban Water challenge," Graeme said.

"Lockington Community Care is a registered charity committed to providing low-cost housing for retirees and those with a disability. We simply don't have the money to install a new main.

"Our building program has been developed in direct response to a community need so we hope to be able to progress our plans as soon as possible," he said.

## 3G NETWORK CLOSURE NEARS

**Some of Telstra's most vulnerable customers will be given a free mobile phone as the 3G network is shut down.**

About 12,000 devices will be given to people who have difficult situations, live rurally or are elderly.

The 3G network is set to be shut down across Australia by September to help make room for the faster and more capable 4G and 5G mobile networks.

Telstra will close its 3G network off on August 31, 2024; Optus will do the same from September. TPG closed its network in December 2023.

Telstra has contacted 156,000 customers with affected handsets that need to be changed. Optus is offering a similar service.

If you're unsure about your device, reach out to its manufacturer or your service provider.

## LOCKINGTON - LINES IN TIME

Hello again everyone,

We are approaching the end of 1906, as we look back at the early newspapers to learn how the farming communities of this district were faring.

They had agitated for more than thirty years for the construction of a railway line to service the region, and had suffered numerous set-backs. At this stage, they were once again feeling hopeful. On 20 December 1906, a proposal for a railway line to link Cohuna to the existing Bendigo-Echuca line at Elmore had been referred to the Railways Standing Committee by the Premier and Minister of Railways (Mr Bent). While the committee's report was awaited, there was another cause for optimism among the residents of the northern plains. Having endured recurring dry seasons and droughts since the earliest days of selector settlement, they were encouraged by the knowledge that, with the passing of the Water Bill in 1904, there were moves to provide an extensive and reliable system of irrigation to meet their needs.

Luckily, cool weather which followed a stormy November allowed the wheat crops to head out well. However, as December 1906 approached, local farmers were pessimistic about conditions for harvesting. Some of the crops had been knocked down by high winds and rainstorms, many were infested with wild oats, and rust was plentiful but eventually, the weather was splendid and harvest work was in full swing by New Year. At that stage, there were high hopes that this would be one of the district's better seasons, but there were some items of sad news being reported.

On 7 November, the Pannooabamawm correspondent to the Bendigo Advertiser wrote regretfully of the death on 5 November 1906, of 22-year-old Norman Munro, the second son of Mr Adam Munro of "Hazeldean," Tennyson. The young man had fallen ill about ten days earlier. He was diagnosed as having appendicitis, and was taken to Melbourne for surgery. Complications followed an initial operation, and a second was performed on 4 November, but he died next day.

Mr Norman Munro had been well-known and popular throughout the district, and much sympathy was expressed for his family and friends. On 1 December 1906, the Bendigo Independent reported the death of Miss Maggie Coghlin, eldest daughter of Mr John Coghlin of Diggora. Miss Coghlin was just 29 years old, and had long suffered from consumption. Her cheerful disposition made her well-liked by the people of the district, and they sympathised with her family in their loss. On 14 December, Mrs Margaret Watson, wife of Mr Thomas Watson, died at her home in Tennyson, the cause of death being pleurisy and pneumonia, according to the report in the Bendigo Advertiser on 17 December 1906. She was only 36 years of age, and left a grieving young family of four.

More deaths occurred before New Year. On 17 December, elderly Mr Benjamin Baxter of Diggora West, died as a result of heat apoplexy, and on Christmas Day, Mrs Mary Elliott of Pannooabamawm, passed away. Her husband, Mr Walter Elliott was in hospital, having suffered a serious farm accident about ten weeks earlier, and consequently Mrs Elliott had been extremely distressed. On 2 January 1907, the Bendigo Advertiser reported Mr Elliott also having died, in Bendigo on New Year's Day. The couple was survived by three sons and four daughters.

Hopes that the 1906-7 season would be one of the region's best faded. On 5 January 1907, the Weekly Times reported that wheat crops around Rochester were "not yielding up to expectations." Some had been flattened by high winds and rainstorms and, among the remainder, some were badly infested with wild oats, and rust abounded. Dry weather prevailed throughout January, but rain was reported from Tennyson in early February 1907. However, the excessive rain experienced in the previous season, had caused the soil to set very hard and on 28 March, correspondents from Tennyson and Wanurp wrote to the Bendigo Advertiser, that, in consequence, tilling operations were retarded. "The majority of the farmers are working their teams on fallow land, and a few are ploughing stubble land with the aid of disc ploughs; these labour-saving implements being specially adapted for pulverising hard, dry land." Good rains came across the district in April but brought misfortune. On 8 April 1907, the Melbourne Age reported that 64-year-old Hugh Mackay was killed by lightning in a heavy storm at Wharparilla on the 6th.

On 13 April 1907, the Elmore Standard reported on the marriage of Mr Edward Devine, second son of the late Mr Patrick Devine of Timmering, and Miss Elizabeth O'Brien, second daughter of Mrs Elizabeth O'Brien of Tennyson. They married at St Patrick's Catholic Church, Tennyson, and afterwards travelled to Melbourne, en route to Gippsland where they would reside. Several locally significant bereavements occurred at the end of April 1907. On 20 April, the Bendigo Independent reported that Mrs Ann Dobson, one of Pannoomilloo's earliest settlers, died, aged 74 years on 18 April, and on 22 April, the Bendigo Advertiser announced that Mr John Watson, well-known in the district as an auctioneer, stock and station agent, and grazier, had died in Bendigo the previous day. The Elmore Standard on 27 April, relayed news of the death of Mrs Lizzie Rankin, the third daughter of the late Cr James Rankin of Pannooabamawm. Since her marriage three years earlier, she and her husband Mr David Rankin, had resided in Toowoomba, Queensland.

On 10 May 1907, the Bendigo Advertiser reported "splendid progress" had been made on all the main Waranga-Mallee channel contracts, and many of the earlier works were "assuming a much more finished appearance." The Kerang New Times on 7 May, reported that the Water Supply Commissioners had called for fresh tenders for 17 miles of channel in the Terricks district. Tenders submitted earlier, in response to a call advertised in the Horsham Times on 26 March 1907, were considered too high.

We'll have more about 1907 next time. 'Bye.

# LOCKY LOCAL STANDING FOR COUNCIL

Lockington resident Zoe Cook has launched her campaign to represent the newly unsubdivided Campaspe Shire in the upcoming local election this October.

Celebrating the beginning of her fourth year living in the Shire, Zoe is deeply involved in both sporting and arts communities, playing cricket and umpiring netball across the region, and acting in local theatre productions with the Echuca Moama Theatre Company.

She is passionate about improving transport and accessibility across the Shire for everyone, seeking to push for an expansion of bus services across the region with more reach and regularity, but also to make streets safer for active transport- walking, cycling and even scootering.

As a Rochester resident during the 2022 flooding, Zoe has personally faced the consequences of the climate crisis and feels the urgency to make our Shire more resilient to climate impacts.

"We can do this by directly consulting and connecting with residents to put community-backed preventative measures in place," she said.

Zoe (pictured) will also advocate for investment in the quality services that care for our communities' health and wellbeing, while revitalising our high streets across the shire and supporting local tourism.

"So many people in our community are struggling with the cost of living and housing crises, and Council can play a key role in addressing these big issues by fully funding public services and supporting safe and secure public housing across the Shire so everyone has a place to call home.

"We need to take action now to ensure the longevity of our towns and communities in the face of current and future challenges.

"So many people in our community are impacted by the housing crisis. Mortgages and rents are through the roof, insurance costs are driving people out of the community, and young people are unable to move out and be independent without having to leave the region.

"Council needs to be on the front foot pushing for public and genuinely affordable housing to be built so that communities can stay together and grow together.

"Now more than ever we need to reassess our dependence on cars to get around.

"Providing greater public transport and infrastructure to support active transport will make our streets safer and allow those who cannot drive to more easily travel into and around town," she said.

## Rochester Bowen Therapy

Servicing Rochester, Lockington and surrounding districts

Bowen Therapy is a dynamic system of physical muscle and connective tissue therapy that uses small, measured moves on the body to stimulate the body to heal itself naturally. It can provide relief for many types of injuries and other health problems, both acute and chronic, and it does so holistically, via the body's innate healing mechanisms. The practitioner's moves deliver signals to the nervous system at specific locations (on muscles, tendons, ligaments, or nerves), and the body responds in its own time, within its vital capacity.

## Road Survey - Have Your Say

There's still time to take part in the National Road Survey and call out the poor state of our road network. Every day, many drivers across spend hours behind the wheel dodging damaged potholes, reducing speeds on rough surfaces – only to see temporary repairs take place and drivers deserve better. Quality roads are essential to our region as an agricultural and transport hub that drives Australia's economy. It's time the Labor Government invest in the industries that help feed our nation and create thousands of jobs. A link to the survey can be found on my website.

## The Proof is in the Peaches

I've been running around Parliament House speaking on the importance of Australian-made food and manufacturing. I decided to put our locally grown, clean, healthy produce to the test and called on other politicians to a taste test. The blind tasting was between a peach snack pack from China and our great SPC peach snack packs. It was no surprise the results, as people continued to say the Australian-grown peaches not only taste better but taste like real peaches. I'm back in Canberra this week and I won't stop telling everyone in Canberra the importance of our food bowl and the products and jobs it creates.

## Local Voices on the Cost of Living

The cost of living is continuing to hit individuals and families across our region hard. Last week, I brought Shadow Minister for Finance, Senator Jane Hume to Shepparton to meet with charity service providers from across our region to hear what they need from governments to support people in need. Demand for services continues to soar as people struggle to keep up with interest rates, affordable housing, energy bills and groceries. I also introduced Senator Hume to a number of small and medium business owners. It was fascinating to hear insights from business owners across our region. Private enterprise, especially small and medium businesses, are what make Australia tick and governments ignore this at the nation's peril. Political leaders need to listen to the people at the coal face of business in Australia and that is exactly what Senator Hume has been doing around Australia.

Don't hesitate to reach out to my office if you require help with Federal Government matters.

## Is your AED Shock ready?

Each year, more than 7300 cardiac arrests occur in Victoria. Cardiac arrests that occur out of hospital have a survival rate of only 5%. St Johns Ambulance Victoria report that CPR within the first 6 minutes of a cardiac arrest, coupled with the use of a defibrillator, increases the survival rates to as high as 70%.

Availability of AEDs within the community and prompt defibrillation are crucial in enhancing survival rates for cardiac arrests. To ensure an AED is ready for an emergency it must be accessible and well maintained to avoid failure. It is also recommended that AED's get a regular health check through scheduled servicing.

The Bush Nursing Centre is conducting a review of Automatic External Defibrillator's (AED's) within our community including locations, accessibility, maintenance and how servicing can be supported. If your club, business, group or household has an AED please contact us.

## LOCKINGTON PLACE BASED PLAN UPDATE

Council's Community Development Team and The Place Based Planning Committee have been working hard to get as many Place Based Plan Survey responses as possible.

At the time of writing they have received 80 online surveys and 38 paper copies, a total of 118 survey responses!

They have also hosted some community pop-ups at the Lockington General Store on 31 July and the Lockington Rec Reserve on 10 August where they could talk to the community and tell them more about the project and hear the communities' aspirations for Lockington and districts. Have your say!

We want to hear from you! Tell us what you love about your local community and share your ideas and needs for future places, spaces, infrastructure and initiatives in Lockington and it's district. You can get involved by:-

- Visiting [www.campaspe.vic.gov.au/lockington](http://www.campaspe.vic.gov.au/lockington) to complete the survey.
- Downloading a hardcopy or picking one up from the Lockington Business Centre, or any Council Service Centre.
- Have a discussion with your friends, family, neighbours, community group or colleagues using our survey for talking points and encouraging them to get involved!

The consultation period will close on 25 August.

For more information you can contact the Community Development Team on 1300 666 535 or any of the Place Based Plan Committee members.

**LOCKINGTON GOLF CLUB****2 AUGUST - STABLEFORD**

The Lockington Golf Club ladies enjoyed a 9-hole event, and it was Pauline Humbert back in the winner's circle in a close finish; she returned a solid score of 15 points to claim top honours ahead of Phyll Macfarlane (14). Jenny Holt won Nearest the Pin.

**3 AUGUST – STABLEFORD**

It was so good to have better weather for a change! Best on course with 42 points to win the Privilege Cup and B Grade honours was Darren Carnie (maybe the new sticks are working?). B Grade Runner-up was Jeff Carnie with 36 in a promising return to form.

The closest finish of the day came in A Grade with victory to Terry Thomas (37), ahead of Kevin Humbert, Grant Humbert and Trav Mancer, all on 36. C Grade was won by Tom Scurrah with a solid 34.

Nearest the Pin: 16th – Tom Scurrah; 2nd shot 11th – Steve Holt (A), Matt Baulch (B), JD Wright (C); 2nd shot 18th for the 6-pack smack – Grant Humbert. Spike's Longest Drive on the 6th, sponsored by Hot 'n' Cold Plumbing – Ash Portwine (A), Matt Baulch (B), Rob Hardess (C).

Lucky golfers have been travelling to district tournaments and competing well. Phyll Macfarlane and Pauline Humbert finished 3rd in Inglewood's fourball, while Ron Dixon and Tom Scurrah were runner-up in Rushworth's fourball.

**9 AUGUST – STABLEFORD**

**LOCKINGTON BOWLS CLUB****4 AUGUST**

**There was action aplenty over the past week on the Lockington Bowls Club greens with competitors enjoying ideal weather and a wonderful playing surface; good numbers made it a special place to be.**

On Wednesday a promising field contested the Scrounge event with several high scores being recorded.

Echuca visitor Dennis Ricketts excelled with a day high 60 points to claim the rink win ahead of Neil Haines and John Andrea. Next door Owen "Smiley" McPhee was running hot to amass a brilliant 59 points with Noel McMaster managing a solid 48 points while Cindy Felmingham scored 34.

Brian Kinnane is in fine pre-season pennant form after scoring 55 points to win while Pos Andrea chimed in with 47 points and Shane Felmingham 38 points. Russell Shawcross bowled well on the final rink to tally 42 points and beat Ray Hanson 30 while Peter "Eggsy" Egan and Denise Gilmore had a great battle with 25 and 24 points respectively.

Saturday Scrounge attracted smaller numbers but the bowling was a treat to watch. Steve Pavone controlled his rink to amass a fine 59 points after eventually catching the runaway leader John van den Bosch on 50 points.

Ray Hanson continued his recent run of top bowling to finish with a rink winning total of 51 to edge out Phillip Cunningham and Neil Haines level on 44 points apiece. Brian Kinnane just kept on winning as he carded a delicate 54 points and won the rink from Steve "Knockers" Nolan 42 and John Dowie 35 rounding off the field.

Best wishes to Ian Staig who has been hospitalised during the past week and is home recovering. Birthday greetings to our "Ageing Scribe" Chris Stewart who celebrated a significant milestone on reaching another year of life, while also clocking up fifty-five years of "Sports Scribe" and administration in local sporting clubs - Cricket, Basketball, Football, Golf and Bowls - past 35 years. Still a lot to do!

Availability to play Pennant Registration Forms are in the Clubhouse.

**11 AUGUST**

**The big guns were firing at Lockington Bowls Club during the week in both editions of the Scrounge series.**

On Wednesday the strong field showed patches of brilliance with several high scores being recorded. Brian Kinnane fired up on the day to register a day high 58 points to win from Club President John van den Bosch 38.

On rink two John Andrea returned to the winners circle after scoring a majestic 56 points to edge out Peter Egan and Neil Haines both with a tally of 44 points each.

John Dowie displayed all the talent of a champion with a total of 52 points while Graeme Wood and Calvin Stout shared second place with 42 points apiece.

On the final rink Ray Hanson showed some great pre-season pennant form with a lazy 56 points to collect the chocolates ahead of Denise Gilmore 33. Dennis Ricketts and Noel McMaster lost a few points on the way out from Echuca!

A much smaller field on Saturday where the bowlers were treated to fine weather and playing conditions. However, the scoring was much hotter than the conditions. Denise Gilmore was the super-natural with a tally of an amazing 89 points while Graeme Wood managed a responsible 47 points to finish second.

Rink two provided a much closer result with just six points separating the three bowlers. John Andrea went back-to-back to win on 48 points ahead of Steve "Knockers" Nolan 45 and Pos Andrea 42. In a display of sheer brilliance, Natalie McLaughlin scored 61 points to hold at bay a persistent Lorraine Appleby with 59 points in a high standard game.

With the finer weather on the way, it is a time to embrace the bowling greens and gain that much needed practice? Campaspe Area Pennant season begins in October.

Birthday greetings to Norm Bacon on reaching the grand age of 90 last week. Norm was instrumental in convening the Sixty & Over competition at Lockington as well as enjoying a consistent time on the greens playing Social and Pennant bowls. A great effort Norm Bacon.
